I'll walk beside you through the world today
While dreams and songs and flowers bless your way
I'll look into your eyes and hold your hand
I'll walk beside you through the golden land
I'll walk beside you through the world tonight
Beneath the starry skies ablaze with light
And in your heart love's tender words I'll hide
I'll walk beside you through the eventide
I'll walk beside you through the passing years
Through days of cloud and sunshine, joys and tears
And when the great call comes, the sunset gleams
I'll walk beside you to the land of dreams
